from the Dy Commissioner

This charity was
founded by H. H. Prince
Sultan Muhammad in
1869, for the purpose of
affording a permanent
source of subsistence
to the poorer classes of the
Community of Dummy-
-hutsa and myrsa —
For this purpose a sum
of Rs 165000 has been

invested by H. H. the Prince
in Government of India
Five notes, the number of
recipients of the Charity
being fixed at 170, each
to be paid Rs 3 per mensem.

2. The Rules framed by
Government in September 1892
for the administration
of this Charity, laid down
in para 7) that the Magistrate
Superintendent for the
time being should be
the President and the
Town Magistrate of Mysore
for the time being, be
the Vice-President of the
Managing Committee
with certain number of gentlemen
members (Printed Copy
of the Rules put up).

a Government order was
issued in the General

Commissioner that it

is unnecessary that

there should be a Vice-

President at all. He says

that at present the Treasury

Officer manages the affairs

of the fund under the

designation of Vice-President

and the (City magistrate)

as President has really

nothing to do in the matter,

and therefore proposes

that all the records and

Office Establishment of

the fund be transferred

to him to carry on the work

as per Rule 7 of the Rules

of September 1892. But

the Vice-President, Hicks

Mr Padmanabha Iyengar

wrote to the Dy. Commr, with

reference

to the above proposal, that the City Magistrate's suggestion was approved by para 13 of Govt. Res. No 333-98 dated 4th December 1893 quoted in para 3 above; and that the President's and the Vice-President's powers having been laid down once for all in the rules of 1892, the President (now the City Magistrate) could only claim the supervising functions, as exercised by the Municipal Secretary when he was the President.

In submitting copies of the above correspondence for orders of Government the Hy

Commissioner, Mr.
Ramanuja Iyengar, is
of opinion that the
arrangement suggested
by the City Magistrate
is reasonable. In support
of this view, he also states
that the Treasury Officer
was appointed as Ex-Officio
Vice-President, when the
mayoral Superintendent
was the President, in view
to payments being made
to the recipients of the Charity
by an Officer who always
remained at Head Quarters,
but the City Magistrate,
who is a statutory Officer
has been
is now appointed as the
President of the management
of the funds entrusted

to him, the necessity for retaining the Treasury Officer as Ex-Officio Vice-President, no longer exists.

Deputy Secretary's remarks

Originally when the Rules of 14th September 1892 were passed, the Murrai Superintendent was appointed to be President of the Committee for the Management of the Charity and the Town Magistrate

was made Vice President.
Subsequently in December
1893 when certain arrange
-ments of Assistant
Commissioners were
made, it was directed
by Government that
the Gumbuz allowance
formerly enjoyed by
the City Magistrate
of Mysore must cease
and that "the City
Magistrate of Bangalore
and Mysore must be
relieved of all work
other than the City
Magisterial work
which shall include
all subordinate
Magisterial cases
within City" &c,. It
was therefore that

the Distrct Treasury
Officer was appointed
Vice President instead
of the City Magistrate
On the abolition of
the Office of Muzrai
Superintendent it
was directed under
the Dewan's orders
that the Presidentship
of the Committee
be conferred upon
the City Magistrate

It is no doubt
inconvenient that
there should be two
local Officers, both
Stationed at Mysore,
having powers over
the Charity Committee.
The Treasury Officer's

argument is that
all the powers as
to the Fund have
by the Rules of
September 1892 been
conferred upon the
Vice President and
not on the President,
and that Government
wished to relieve
the City Magistrate
of all work other
than Magisterial

If the Presidentship
is to be continued
in the City Magistrate
it seems unnecessary
to have a Separate
Vice President and
it may be directed
that all the records
&c, connected with

the Charity be
transferred to the
City Magistrate as
President, the requisite
verbal corrections
being made in the
Rules of September
1892, substituting
"President" for "The
Vice President". ~~The~~
only point for
consideration is
whether such addition
to L's work will not
be prejudicial
the City Magistrate's
legitimate work
It may also be
distinctly stated
that the City
Magistrate will

not be entitled
to any remuneration
on account of his
additional work

Under the existing
arrangements Govt
is not getting any
information whatever
as to the working
of the Committee
It may now be
directed that
Government should
be furnished with
copies of the
Proceedings of the
meeting of the
Committee for
information and
that an Annual
Report should

also be regularly

Sir,

Adverting to Government order No: 1161-3 Misc 91-92 dated 7th May 1902 appointing the City Magistrate of Mysore as ex-officio President of the managing committee of the Prince Gulam Mahamed's Charity Fund, I have the honor to submit for the orders of Govt the accompanying copies of the marginally noted correspondence received from the City Magistrate and the Treasury officer, who are the Ex-officio President and the Vice President respectively of the said Charity Fund. It will be seen from these papers that the former want to have the management of the affairs connected with the Charity under his sole charge and recommends that the office of the Vice President may be abolished. While the latter

1. Letter No 100 dated 29th January 02 from the City Magistrate and its accompaniments.
2. Docket No 41 dated 6th February 02 from the Treasury officer Mysore District and its enclosures.

Seems to think that the City Magistrate's proposal is opposed to para 13 of Govt Proceedings № 333-98 dated 4th December 1893 relieving the City Magistrate of all non-magisterial work.

I am of opinion that the arrangement suggested by the City Magistrate is reasonable. The Treasury officer was appointed as Ex officio Vice-President of the Charity Fund Committee when the Municipal Superintendent was the President in view to payments being made to the receipients of the Charity by an officer who always remains at Head Quarters. Now that the City Magistrate who is a Stationery officer is appointed by Government as the President, and the management of the funds has been entrusted to him, the necessity for retaining the Treasury officer as Ex-officio Vice President of the Committee in my humble opinion no longer exists

I have the honor to be,

Sir,

In forwarding copy of Govt Proceedings Finance No 1161-3 / 1891-92 dated 7th May 1901 it will be seen that Government's intention was that the Charity Fund should be managed by the City Magistrate.

At present the Treasury Officer manages the affairs of the fund under the designation of Vice President and I as President have really nothing to do in the matter.

I would suggest therefore that all the records and other establishment of the fund be transferred to me to carry on the work.

It is unnecessary that there should be a Vice President at all.

I might point out that the administration of the Charity fund as per para 7 of

the rules dated 4th September 1892 (extract herein enclosed) was under the Control of the Town Magistrate

C No: 41

With reference to the Communication No:100 dated 29th January 1902 from the City Magistrate forwarded to him for Compliance, the undersigned has the honor to state as follows:—

i The suggestion of the President of Prince Gulam Mahomed's Charity Fund that the mangement of the above be transferred to him with the records and establishment appertaining to the same and that there is no need at all for a Vice President would seem to be opposed to para 13 of Government Proceedings, which directs that the City Magistrate shall be relieved of all work other than City Magisterial work to the letter from the Mysore Superintendent based upon it placing the management of the Fund under the District Treasury Officer for reasons assigned therein and lastly to the Deputy Commissioner's Order giving effect to the same.

1. No 333-98 dated 4th December 1893

2. No 776 dated 19/20 January 1899

3. No 1203 dated 25th January 1899

The fact is that the Muzrai Secretary published certain rules in 1892 for the management of the above Fund in the hands of a President, a Vice President and a Committee, whose respective powers are laid down therein. The President was to be the Muzrai Secretary himself and the City Magistrate the Vice President. This arrangement seems to have subsisted until 1894, when the City Magistrate was confined to his purely Magisterial functions and the Treasury Officer was made Vice President, that is to say, the Vice President was the, and intended to be the, managing officer of the Fund, as apparent from the while the Muzrai Secretary was the supervising officer Muzrai Secretary's letter No 776 dated 19/20 January 18 when the Muzrai Secretariat was abolished in 1901. The City Magistrate was made President in place of the Muzrai Secretary, the Treasury Officer continuing to be the Vice President The President's and the Vice Presidents' powers being laid down once for all in the rules issued The administration of the Charity Fund will be in by the Muzrai Secretary, in 1892 without reference to who the hands of a Committee may occupy these respective places, it seems that the Consisting of the Muzrai President can only claim the supervising functions assigned Superintendent in Mysore to him therein and this for the reasons given in Government for the time being as the Proceedings and Muzrai Secretary's letter No 776 dt 19/20.1.1894 President and the Town Magistrate of Mysore for the time being as Vice President.

" The Government Order appointing the City Magistrate President of the Fund does not make him Vice President; √ No 333-98 dt 4.12.1893

Office Vice President has not been Cancelled. nor has the Muzrai Secretary's rule of 1892 appointing a Vice President been dispensed with and no changes have been made in the duties of the President and Vice President since the rule of 1892; and Government Proceedings directing the City Magistrate of non Magisterial duties must still be considered to be in force.

No: 333-98 dated 4th December 1893.

iv For the above reasons the undersigned deems the proposed transfer of establishment and management of the above Fund from the Vice President to the President not authorized. The permission of Government would seem to be necessary in the matter as the Government in the Muzrai Department has the general supervision of the Fund subject to which the President and the Vice President work.
